silk tree, Sycamore, and Red Bud,     .25     cents  
per foot.

#### **LANDSCAPING A SPECIALTY**

We will plant your trees if you buy them  
from us at a very reasonable price.

The reason people lose so many plants they order by mail is that they are not properly treated when planted.

If you want to see Pretty Trees and the most beautiful Landscaped Place West of the city, to our notion, see Back Nursery, 1 mile north of Oakwood. The flowers in bloom, different colored leafed trees, beautiful evergreens from 50 cents to \$500.00 each. All kinds of fruit trees. Then you will know where to get your trees. Our Prices are Reasonable on as Good a Trees as can be bought

We Spray and Prune Trees, have a Power Sprayer, can do more spraying in one hour than any one could do with a little hand spray in a day. That is why we can make you a Good Price on Spraying.

If you have a place you want Landscaped, send us your plan, drawn by some competent Artist. It will surprise you how much we can Save you on the job. We did the Canton Dam Site. "Why?" Because they sent us a plan to figure on, and as we Grow the Most of our Plants, and only want a Reasonable Profit, we got the job. Why don't you send us your plan or a list of your wants? Let us figure on it; we will save you some money. Or write us and we will come, draw you a landscape plan and tell you what would make your place beautiful.

**Please Remember**
